SINGLE ENTRY FEE PER PRODUCT

SIGN UP IN FOUR EASY STEPS

1 - CREATE AN ACCOUNT ON THE WEBSITE

If this is your first time entering a wine, you must create an account on our website at www.selectionsmondiales.ca.

2 - ENTER YOUR WINE

To enter the competition, click on "REGISTRATION" on the SMV home page and then select the applicable wine category. Click on the "Add a Wine" button to proceed. You will be prompted for further information. Once you have completed the required fields, click on "Add a Wine." Each wine you add can be found in your shopping cart. Repeat the process for each wine you wish to enter.

3 - ARRANGE FOR YOUR SAMPLES TO BE SHIPPED

You can make shipping arrangements and pay the corresponding fees directly in your shopping cart. In partnership with Eurofret, we will pick up your samples at your door (for a very competitive price, as part of a deal exclusive to SMV Canada) and deliver them to our warehouse in Montreal, where they will be checked and prepared for the event.

4 - PAY THE CUSTOMS CLEARANCE FEES

Every producer taking part in the competition will be required to pay customs clearance fees. To proceed, simply add the fees to your cart to pay them online. Note that only one customs clearance per producer is necessary, no matter how many products you are entering in the competition. We strongly recommend that you include this item in your entry form and pay the required fees right away to avoid subsequent delays. If your shipment gets to the Canadian border and you have not pre-paid the clearance fees, your samples will be held by customs officials until the situation is rectified.

EXCEPTION: Note that producers whose wines are already in Canada are not required to pay customs clearance fees. This applies to Canadian wine producers as well as producers from other countries whose products have already been brought into the country through a private importer or a Canadian agent.

5 - PROCESS YOUR PAYMENT

Please submit your payment online at www.selectionsmondiales.ca after completing your entry form. Our Stripe-based processing system accepts all credit and debit cards. Make sure the information you have provided is complete and accurate BEFORE clicking on "Pay." Once you have chosen this option, you will not be able to go back or edit your entry. Once you have chosen this option, you will not be able to go back or edit your entry. There is no reimbursement. We strongly recommend you pay online by credit or debit card. If there is an issue that prevents you from doing so, please write to us at info@smvcanada.ca.
